

Island Beach Lodge

Island Beach Lodge is designed to maximise the pure viewing pleasure of Eastern Cove from American River to Rocky Point, while offering Italian leather sofas, flat screen TVs, modern kitchens and bathrooms and spacious living areas. The front lounge windows form a curved viewing platform with a stunning 20 metres of floor to ceiling frameless glass.

Whether it is a group of friends, a large family or just work colleges, privacy in large groups can sometimes be difficult. With this in mind, an 8 metre long central wall was designed which can be closed or opened allowing the lodge to effectively become 2 separate apartments. These apartments can be serviced separately, each with their own fully equipped modern kitchen, laundry, combustion heater and 4 burner BBQs.

Less than 5 kilometres from the main road, only 40 meters from the magnificent white beaches of Island Beach and with access to all the beautiful locations on the island, it is hard to imagine a better way to relax and unwind on Kangaroo Island.
